

NIFO®

SARRAPOCHIELLO

TRITAN
BENEVENTO
Indicazione Geografica Tipica
AGLIANICO

TECHNICAL DATA

PRODUCTION AREA: Taburno/Sannio area

ORGANIC GRAPES: Bioagricert-certified

SOIL: Clayey-marly-calcarene hills of Calore with gently sloping slopes, engraved by pronounced impluviums

VINE: Aglianico 85%, Other native vines 15%

N° OF PLANTS PER HECTARE: 4.000

TRAINING SYSTEM: Espalier, Guyot

HARVEST PERIOD: Third decade of October

HARVEST: manual

VINIFICATION: Destemming-pressing with short maceration and fermentation for about 7 days at controlled temperatures of 20°C / 22°C.

AGING: Bottle for about 6 months.

HISTORY OF THE LABEL

Fight of Samnite gladiators Tomb painting 4th Cent. B.C.
National Archaeological Museum of Paestum (Sa)

The gladiator Samnes Tritan, cited for the Herculean strength by Pliny the Elder in the Naturalis Historia, fought with equipment similar to a Samnium warrior: a sword, the gladius, a shield, the scutum, a greaves, the ocrea and a helmet.

Vignaioli del Sannio
