

CICLO RED WINE 2024

IV - Portugal

Red Wine

Varieties: 100% Castelão

Production: 2000 bottles

Vineyards

Region: Estremoz

Area: 1,5 Hectares

Soil: Limestone

Altitude: 335m

Integrated Production System

Analysis

Alcool: 13,0% Vol.

Acidity: 4,6

Sugar: 2,5g

PH: 3,85

Vinification

Hand-picked grapes in 20kg cases. The grapes are pressed in an open lagar. It starts alcoholic fermentation in the same place in contact with the skins, At the end of both fermentations it is pressed and stored in a close vat until bottling.

Tasting Notes

Wine with a very light body and ruby/ brown color.

In the mouth it represents the early maturation of part of the grapes. With dry and straight profile. Irreverent and very persistent wine in the tasting.

Logists

Bottle: 750ml

Case: 12 x 750ml

Weight: Bottle 1,2kg | Case : 14,5 kg
